# Gift American Made

Support American jobs by ordering your promotional items from American factories. Buying American-made goods doesn't just support the workers who make those goods. Every U.S. manufacturing job supports an additional 1.4 jobs in other parts of our economy. Further, buying USA-made means a lower carbon footprint, less pollution and human rights that are valued.

American-made custom printed products strike a patriotic chord with your customers, too. You'll find great promotional items proudly manufactured in America in this catalog. Don't see what you're looking for? **We have thousands more products – including pens, shirts, caps, mugs and bottles, bags, journals and more – that can all feature your custom logo and imprint.** Connect with us to select your options.

We can serve you.

## The Power of “ONE” Services & Products

We have assembled a complete offering of services and products to handle all your business needs. Proforma applies creativity and innovation to your business challenges, from the development of brochures and promotional items to the execution of marketing campaigns and ecommerce solutions, making us the One Source for all your brand marketing and graphic communications needs

Learn how our Promotional Products and Programs can help your company get the recognition it deserves.

# Virtual Show? Virtual Bag!

## **Virtual conferences are the “new normal” – keyword being “new!”**

If you are new to the trend too, you might be wondering how you can create visibility for your brand...Introducing SWAG IN A BAG!

### **Why you don't want to miss out on this opportunity:**

The major advantage of participating in the Swag In A Bag promo is the lead generation and analytics opportunities that come with this kind of promotion. The promotional items in the swag bag take attendees directly to your virtual booth, which brings attendees directly to the point of purchase with an offer – there's nothing more compelling! Each time an attendee visits your booth and clicks on the offer, they will enter their email address and contact information. This means event exhibitors will have access to this information to better connect with guests both during and after the event!

### **How does it work?**

1. Visit Our Exclusive Online Site: Shop for your custom giveaways at <https://ProFedFBC.brandedpromotions.com>
2. Place Your Order Directly Online: A representative from Proforma Federal will be in touch with you to confirm all the details.
3. Pre-Show Marketing is Included! Once your company is registered in the Swag In A Bag program, your information will be included in all marketing leading up to the event. That means that sponsors and attendees will learn about you even before they log in for their first seminar!
4. After the Event: Your custom branded item will arrive carefully packaged with your information included so your company continues to stand out.

Call FBC at (800) 878-2940 for more details.
